Reconvened. Bea Shepard shared citation for the APU medal given to David Fison.

DAVID KONRAD FISON, faithful Chaplain and friend to all, you have given your life to the cause of God and the good of people. Preacher, teacher, missionary, counselor, community leader, social activist, artist, and most of all, servant, you have epitomized for us all what it means to be a follower of the Way.

Your distinguished career, spanning over thirty years, has taken you from an urban church in Chicago to the rural regions of Alaska, from the pastoral duties of a small parish to the halls of learning in a university setting. As the first Chaplain to the three institutions of higher education in Anchorage, Alaska Pacific University, University of Alaska, Anchorage, and Anchorage Community College, you faced the responsibility of ministering to hundreds of students, faculty and staff. With your creative vision, you established the well-known Small Blessings Cafe, the Sacred Arts Festival, weekly chapel services, special holiday traditions around Thanksgiving, Christmas and Easter, and remained available to meet the spiritual needs of endless numbers of people.

Truly ecumenical in spirit, you have served the universities as Chaplain under a Board which represents twelve denominations. Open to all, you have reached out across cultures to embrace people from every part of the world, from every religious tradition, and from all walks of life. Gracious and caring, understanding and sensitive, you have helped so many find their way.

For these, and for so many other accomplishments and qualities too numerous to mention, your grateful friends of this University are pleased to award you the highest honor it can bestow, the Alaska Pacific University Medal. May 8, 1988 (signed) F. Thomas Trotter, President and Larry Carr, Chairman of the Board.

BOARD OF PENSIONS recommendations were approved in a series of motions. Motion to express appreciation for the leadership of Barbara Shaffer was approved.

"The Conference expresses appreciation to Barbara Shaffer for her leadership in the area of pensions. She led us through a major denominational pension transition a few years ago. More recently, she doggedly persisted in bringing closure to funds generated in a successful pension plan crusade in The Alaska Missionary Conference, so that one quarter of a million dollars has been deposited into the pension account for our Conference."

EQUITABLE SALARIES — Wayne Weld-Martin. No substantial changes reported. Motion to accept the recommendations was approved. Motion to have Equitable Salaries research completed and report back in 1989 was adopted.

NOMINATIONS, Thom Fassett: Report was adopted as printed except:

Professional Ministries Unit was not elected.

Hope Retreat Center — Lee Nelson as Chair, with James Stigall and Jim Clymer as committee members.

Alaska Housing Ministries — Aleen Fison

ACC youth member — Heather Wayman of Nome.

Following the service, many participated in dedicating the Evangeline and Robert Atwood Fountain at Alaska Pacific University.

Brunch was held at St. John United Methodist Church.

SUNDAY AFTERNOON

St. John U.M.C.

BUSINESS SESSION at 1 p.m. **CONFERENCE COUNCIL ON MINISTRIES** Chair Billy Still led in the sharing of several reports. He felt that some of the major successes of the year included the Walk to Emmaus and the staffing of the Mission Associate by Dennis Holway. A failure was the canceling of the News Cache. The conference expressed appreciation to Bea Shepard with a standing ovation. Her view was summarized in these words: "I'd rather have the News Cache".

Looking to the future, he reminded the conference of the need for being aware of the need to make budget decisions regarding the Mission Associate position and his excitement over the growing number of persons to be involved in program development in the Conference under the new structure: from 21 to 90 persons.

WALK TO EMMAUS was reviewed with comments by Karen Landerholm, Vida Nelson and John Page: "Pilgrims touched by the Spirit".

CAMPING AND OUTDOOR MINISTRIES was presented by Jim LaBau.

MISSION ASSOCIATE Dennis Holway was presented to the conference. He announced that Glenn Getz would be in the conference office this summer.

Mrs. Ben L. (Elizabeth) Boynton was recognized by the conference as an Honorary Member of the Alaska Missionary Conference, authorized to send greetings to those she contacts on our behalf around the nation. Advance Special promotion like this is very important to the conference. Her address is: 1367 Glen Road, Shelby, MI 49455 (summer) and 3631 E. O'Henry Drive, Panama City Beach, FL 32407. (winter)

RESOLUTION regarding the assignment of Bishop McConnell was presented by Richard Heacock, Chair of the Committee on Episcopacy and Superintendency. Motion was adopted with 50 yes, 2 no and 1 abstaining.

V. Reports To The Conference

A. Alaska Children's Services

Alaska Children's Services is proud of its newly-adopted mission statement, "Based upon the spirit of Christ's love, Alaska Children's Services provides quality care and treatment for children who need special assistance to develop self-esteem and the ability to live in harmony with others."

Robert L. Griswold is Executive Director of Alaska Children's Services (ACS). Comprehensive programs of treatment for troubled children, adolescents, and families are provided to clients from throughout the state, approximately one-third of whom are Alaska Native — Aleut, Indian, and Eskimo. Programs include Jesse Lee Home (residential treatment for up to 40 children, ages 6 to 16, with moderate to severe emotional and behavior problems); Adventure Based Program (which features short-term residential treatment for up to 12 boys, ages 14 to 18, identified as delinquent or moderately emotionally disturbed); and two Intensive Care Units (each treats six boys and girls, ages 12 to 18, providing therapeutic intervention for children with a major emotional or behavioral handicap requiring high staff-to-child ratio and a highly structured program with intense supervision). A Family Enhancement Project provides early intervention/education to assist the families of elementary school children who are experiencing problems with school and family.

A recently finished video, narrated by former Governor Jay Hammond, gives a current overview of the work of ACS, and runs 17 minutes. Loaner copies for interested individuals and congregations are available on request (without charge) by contacting Jeanne B. Johnson, Resource/Agency Relations Associate, 4600 Abbott Road, Anchorage, Alaska 99507, (907) 349-5304, Ext. 275.

Three areas of accomplishment ACS would like to emphasize are:

1. The youth referred to ACS through the Department of Youth and Family Services (DFYS) come with a greater severity of problems than youth treated in the past. This trend affirms the need for the programs we currently offer. Additionally, waiting periods for youth to come into treatment have increased, due to funding constraints and number of beds purchased by the State; this indicates need for increase in services provided by the State.
2. ACS is making great strides in achieving better and more effective ways of reaching the youth in our care through habilitative programs of treatment. Staff in-service training is mandatory, extensive and varied. The emphasis is to "catch 'em being good" and affirm acceptable behaviors by making all interactions 90% positive. This significantly impacts attitudes and desired results. Dr. Chuck Lester is Director of Program and Clinical Services.
3. An energetic Spiritual Life Committee, headed by Aleen Fison, a dedicated United Methodist Church representative on the ACS Board of Directors. Aleen has been instrumental in revitalizing this Committee, which selected Pastor Leonard Turek, an American Baptist clergyman, as our new Spiritual Life Director/Church Liaison. Serving this year with Chaplain Turek is Brian Crockett, a Lutheran Intern. ACS is committed to meeting the spiritual needs of our young students to accept their worth as special human beings as children of God, despite the problems they have encountered. Advance Special funds have been of significant help in funding our Spiritual Life Program.

Alaska Children is affiliated with the United Methodist Church, American Baptist Churches, The Evangelical Lutheran Church in America and the National Benevolent Association of the Christian Church (Disciples of Christ), and proud of its rich religious heritage. ACS is a member agency of the United Way of Anchorage, the Child Welfare League of America and is fully accredited by the Council on Accreditation of Services for Families and Children.

Robert Griswold,
Executive Director

B. Alaska Pacific University

As Alaska Pacific University's new president, I'm happy to report that your farthest north college is doing well.

OUR STUDENT BODY has grown steadily since Glenn Olds reopened the school ten years ago. 1200 now enroll each semester and applications are up. Most students are from Alaska. One quarter of our full time undergraduates are Alaska Eskimos, Aleuts and Indians. Another 18 percent are from the Lower 48 and from other countries.

EXCITING PROGRAMS ... I find APU bursting with energy and ideas. The integrative curriculum with its practical link to careers is firmly in place and is generating related centers. The Alaska Native Institute has federal money to serve as a resource not only to our students but to educators throughout Alaska. Our new Center for Religious Study and Service engages an ecumenical group of Alaskan leaders to develop continuing education and research for laity and clergy. A doctoral program is being offered in education in partnership with Boston University. To better serve adults in our area, we are initiating a fast track degree completion program with help from the National College Assessment Program. Our Center for Pacific Rim Studies is developing resources to address the great new reality of our time: the emerging Pacific nations. Things are also falling into place for a Center for Polar Research which involves a remarkable group of scientists, business people and government officials, all looking at the far north in a coherent way.

NEW BUILDINGS have enhanced our ability to attract students. The Moseley Sports Center has enabled us to begin a successful intercollegiate sports program. University Hall houses our administrative offices and the United States Geological Survey. Construction has begun on a public television building.

OUR FINANCIAL CONDITION, in terms of long range financial stability, seems assured. Our endowment, composed primarily of Anchorage real estate, provides a good rate of return from leases, even in Alaska's distressed economy. The plunge in oil prices and ensuing economic crisis in Anchorage has, however, hurt our ability to raise funds and so cash flow is a constant worry.

THE FUTURE ... Among my major goals for Alaska Pacific University over the next few years are the building of academic excellence, moral leadership, intellectual excitement, a Pacific focus, public confidence and a broadened base of financial support.

WE CHERISH YOUR SUPPORT. We are grateful for your prayers and concern. And we hope to see more of our United Methodist young people here as students in what we find to be a personal, caring environment. We seek your guidance and help in fulfilling our mission.

F. Thomas Trotter, President

D. Nome Community Center, Inc.

"Affirmation" and "change" are words which describe the Nome Community Center in 1987-88.

The Board of Directors, following months of discussion among the members and dialogue with General Board of Global Ministries of the United Methodist Church, affirmed the covenant relationship between NCC and GBGM. The covenant proclaims the mutual objectives shared by both groups: providing leadership for Christian witness and action which reflects the Christian faith and tenets of the United Methodist Church; working for justice and the elimination of oppression; developing, implementing and administering program models which empower persons in need to meet those needs individually and collectively. The covenant recognizes that the first task of NCC is to be responsive to the needs of Nome and the Norton Sound area, while maintaining a primary organizational relationship to the National Division of the GBGM. It is expected that a closer relationship between the United Methodist Church and the Nome Community Center will be developed in the coming years, without jeopardizing ecumenical relationships, and governmental grants upon which the center depends for program funds.

A nation-wide search was conducted in the fall of 1987 to hire a new executive director for the center. The Rev. Douglas McCoy, United Methodist pastor, was nominated for the position, and the General Board of Global Ministries confirmed his being hired. For the past six years he has served under special appointment developing and directing an ecumenical prison ministry in Northern Nevada. Under his leadership, the board hopes that the current financial problems of NCC will be able to be solved, and that new ministries and services will be developed.

The Nome Community Center continues to provide services to the elderly in Nome, through the XYZ Senior Center, and to the teens and pre-teens, through the Youth Center. Both programs serve primarily native Alaskans, most of whom are low-income and in need of many services. Affirming the work that has been done, the board is seeking to reach more seniors and youth in the community in the year ahead. Changes in staff of the youth center and senior center reflect a commitment to ministering to the needs of the participants and to expand services. It is anticipated that new ministries will be developed during the coming year, which will address some of the other critical needs of Nome, and involve the religious community and the public.

To support the work of NCC in the year ahead, a greater emphasis will be placed upon promoting the Community Center as an Advance Special, and encouraging volunteers in mission who will participate in the work of the center.

E. United Campus Ministry, Fairbanks BUT HOW MANY . . . ?

Probably everyone who is reading this report knows at least one person who has been influenced in a major way by a campus minister or a campus ministry. You may be that person. No one doubts (I hope) the important role campus ministry plays in the life of the whole church, especially as a developer of young adult Christian leaders.

But behind this appreciation for campus ministry seems to lie a haunting question. Even those of us who best know the value of campus ministry find it creeping into our talk about our favorite campus ministry unit. The question often comes with a tinge of (or maybe a blast of) suspicion — "But how many people do you reach?" In pursuit of this question, United Campus Ministry at the University of Alaska at Fairbanks took a hard, head-on look at the query. Were we glad we did! Here's what we learned.

First off, we learned that we serve six groups of students, faculty and staff. You see, the big question is often asked this way: "How many students are in your group?" But UCM at UAF (and this is true of every campus ministry I know about) has a student group which is only one major component of our ministry. One of six! Students are not the only people we serve. Faculty and staff are served, both as individual persons with individual spiritual and intellectual needs, and in their roles as professors, program coordinators, and administrators. The six groups we serve are:

1. U.C.M. STUDENT GROUP participants
2. Students in formal CREDIT COURSES on the Bible and World Religions
3. Participants in BREAD FOR THE WORLD/A TIME FOR PEACE
4. Individuals and couples who receive formal or informal COUNSELING
5. Attenders/participants in SPECIAL EVENTS
6. People whom we touch by our PRESENCE

As you might surmise, many people are touched or served in more than one of the above program categories (indicated by the capitals). As you might also surmise, we touch people by our presence that we are never aware of. We know this because occasionally — make that regularly — someone comes forward to let us know how we have touched them.

Examples of the kinds of events/programs of each of the six groups are:

1. U.C.M. STUDENT GROUP: Weekly worship/fellowship, retreats, special events
2. CREDIT COURSES: Lectures, one-on-one time with students, evenings at instructor's home
3. BFW/TFP: Weekly meetings for program planning, program execution, letter writing campaigns, etc.
4. COUNSELING (formal/informal): Personal adjustment, spiritual guidance, premarriage, marriage, etc.
5. SPECIAL EVENTS: Safer Sex Day booth, guest lecturers, Baccalaureate, etc.
6. PRESENCE: Dorm meetings, dorm calling, registration booths, etc.

BUT, HOW MANY . . . Right. In a nutshell, here are "The Numbers" we recorded for 1986-

87

1. U.C.M. STUDENT GROUP: 20 each week; 40-some with relationship to the group
2. CREDIT COURSES: 14 each semester
3. BFW/TFP: 8 weekly meetings; 30 average attendance at events
4. COUNSELING: 8 weekly (formal); 8 weekly (informal)
5. SPECIAL EVENTS: 50 weekly
6. PRESENCE: 20 weekly

THIS ADDS UP TO APPROXIMATELY 5,000 people contacts in 1986-87. Of these, we estimate nearly half, or 2,500, are either one-on-one or small group contacts.

Probably everyone who has read through this report knows someone — maybe themselves — who has been influenced in a major way by a campus minister or campus ministry. That positive experience has not made "The Numbers Issue" go away. I hope in this

report I have made it clear that at U.C.M., Fairbanks our outreach on your behalf is not only deep, but WIDE.

In Christ's Service for Simplicity — Joy — Justice — Peace,
Charles Young, Director

F. University Community Ministry, Anchorage

David K. Fison, Campus Minister

This is my tenth and final year as Campus Minister. Here is a sketch of some of my ministry.

THREE MEDITATION ROOMS are provided with a perpetual candle, a daily devotional guide, a Bible, and free inspirational posters.

THE JIMMY DAVIS MEDITATION ROOM — Before becoming Campus Minister, I helped provide this room at APU, including designing and building its furnishings. Many weddings, baptisms, and memorial services have been held here plus chapel services each Thursday at noon.

THE UPPER ROOM at UAA was established three years ago on the fourth floor of the College of Arts and Science. Although not everyone signs the guest book, there are nearly 700 signatures recorded.

THE GROTTTO is now a year old in building K, under the south stairwell. Its use increases as it is discovered.

These three rooms provide quiet places, especially in times of grief, disappointment and other stress. Many notes of appreciation are written in the guest books.

TWO SMALL BLESSINGS CAFES (APU and UAA) provide well over a thousand servings daily of an assortment of hot beverages, soups and oatmeal, on a "Pay what you wish" basis. It is free for those without funds and contributions almost cover expenses. This is sharing as a family by keeping the water boilers filled and by cleaning up. It is a parable of community, reminding each one to share with others for God. Many words of gratitude have been received here. Over ten years the two cafes have provided over a million servings and many warm feelings toward this ministry. Jeffrey Winters, my student associate, is overseeing the APU cafe and assisting in many other ways.

COUNSELING — In these years, hundreds of hurting students and others have received a listening ear, some counsel and prayer, in offices, meditation rooms, hospital rooms, in cafeterias or by the way. Also, at least twenty-five memorial services have been provided. All, attempting to communicate something of God's Love. I am instantly available during working hours, thanks to my beeper.

GUEST LECTURING — I have responded to more than 100 invitations from UAA, ACC and APU professors, to address a variety of classes on many subjects. I relate the subject of the course to spiritual concerns. I also share my own faith and respond to many questions. These have been my congregations. About half of the students have no religious participation, therefore it is perhaps the only opportunity the Church has to encourage a spiritual concern in these students.

OTHER TEACHING I have held a variety of small group Bible studies over the years, two jointly with Fr. Jim Laudwein. Meeting places include meditation rooms, dormitories, cafeterias, and class rooms. I have also been an instructor for credit courses at APU in *Christian Origins* and *Moral Choices*.

BIBLE PROMOTION — Next to my offices at APU and UAA are shelves which display over 100 Bibles in four translations plus a dozen in foreign languages. These are sold at cost from the American Bible Society. Several hundred Bibles have been sold over the years.

OTHER ANNUAL AND SEASONAL PROGRAMS

THE "FINAL" RESTING PLACE — For 19 semesters, this program has provided places to rest from final exams and enjoy refreshments (provided by our sponsoring

churches) and inspiration from the campus minister. I have utilized my CHRISTMAS TOTEM POLE at the finals before Christmas.

THE SACRED ARTS COMPETITION each Spring provides another way for students to give expression to the spiritual dimension of life. Many have been blessed by the over 400 entries galleried over these 10 years.

THANKSGIVING — Table tents, with my 12 thankful thoughts and prayers, have graced lunch room tables the week before Thanksgiving. Also over 1000 sets of these will be used by students and staff each Thanksgiving for years to come. The APU Pot Luck Snack program is always an extra blessing.

ADVENT LOG AND TREE LIGHTING ceremonies are accompanied by carols from a musical saw. These brighten the winter darkness.

THE EASTER SUNRISE SERVICE draws a crowd from both campuses to Atwood Center — a continental breakfast always follows.

COMMENCEMENTS — I will have prayed for 31 by this May. This year I was asked to give the Baccalaureate address at APU.

OTHER PARTICIPATION — Necessary brevity allows only a passing mention of participation in programs of student orientation, Native associations, student potlucks, guest preaching, University Boards and Committees, special observances, student conferences, countless invocations and services for various functions across the campuses, and hundreds of other such things over these 10 years.

ACKNOWLEDGEMENTS — My thanks to those denominations, churches and others that have provided the financial support to make this ministry possible. Thanks also to the Universities, administrators, staff and students who have given help, encouragement and support, and provided space and other support for this ministry. Also, thanks to Greatland vending for coin processing and Personal Page for my Pager.

A TRIBUTE TO MY U.C.M. BOARD — This faithful group, under the leadership of Mary Jane Landstrom, Hope Turpin and Barbara Shaffer, has allowed me to be creative in ministry with a minimum of direction, but with constant support and encouragement. My love to them. They will secure a new Campus Minister who will bring other valuable talents to this work, and may he or she find fulfillment in the ministry here as I have.

I retire from active ministry after 28 years in Alaska. We have our home here, where I will pursue creative writing and art and have time with Aleen, my constant companion and support; without whom my ministry would not have been complete. Has this ministry made a difference? With 15,000 persons on the campuses each semester, I could not reach them all, but some lives have been touched and influenced for good, and while the source may be forgotten, yet I trust the values instilled will remain and be passed on over the years.

Shalom

G. New Ministries Committee

Phase II of the Conference New Ministries Program is in its final year. United Methodist Churches throughout Alaska through it have extended their ministries in four important areas.

Aldersgate is a thriving new congregation in Juneau under the ministry of The Reverend John Campbell. A dynamic Korean congregation meets at St. John United Methodist Church in Anchorage with pastoral leadership provided by The Reverend Geo-Chong Park.

The Alaskan Native Ministry in Anchorage carried on by The Reverend Walter Moffett has had a major impact in Anchorage where the largest concentration of Alaska Native peoples reside. It is extended to Wales where John Waghii ministers from Nome.

In Fairbanks the St. Paul congregation has purchased land and are preparing for their church building program. The Builders Club inspired by Bob Smay's leadership has sought funds for a parsonage for Ninilchik and handicap persons improved access to the Homer Church.

Sincere appreciation is extended from the Committee to all United Methodist persons who have provided leadership and funds for these worthy ministries. Reaching for a \$500,000 goal at the beginning of this quadrennium, \$289,000 was pledged to the Phase II program. As of April 1, 1988 \$167,650 has been received in payments. Of the 50% committed to program, \$23,000 has been designated for the Native Ministry, \$40,000 to the Korean Ministry, and \$63,500 to Aldersgate. All of this has been dispersed except \$13,000 yet due to Aldersgate in 1988.

First priority for funding capital projects has been designated \$35,000 to St. Paul of which \$5,000 has been paid, Aldersgate and the Korean congregations are designated to receive \$50,000 each as funds become available.

All of the Western Jurisdiction Conferences have received prepared information requesting Advance Special matching funds. The Oregon-Idaho Conferences have pledged \$100,000 which has been partially designated to fund the above projects.

Respectfully submitted,
John C. Garvin, Chairperson

X. Resolutions, Petitions And Recommendations

A. Resolutions

No. 1. Reassignment of Bishop Calvin D. McConnell — (Carried 50-2-3 abstaining)

WHEREAS, the Alaska Missionary Conference is to have a new superintendent now that Thom White Wolf Fassett has been elected General Secretary of the General Board of Church and Society, and

WHEREAS, there will be major changes in the staff of the General Board of Global Ministries this year, and

WHEREAS, there is the possibility under the 1984 Discipline that Bishop Calvin D. McConnell could be assigned to a new area,

THEREFORE, the Alaska Missionary Conference earnestly requests the Committee on Episcopacy of the Western Jurisdiction to extend the assignment of Bishop McConnell to the Portland Area for an additional 4 years as provided in paragraph 507.1 of the 1984 Discipline.

B. Petitions

No. 1 — Sign for Wesleyan House. (Referred to Administrative Unit because of certain legal questions.)

No. 2 — Request for Complete Audit. (Withdrawn)

No. 3 — Creation of International Work Force. (Carried 23-12)
(International Peace Corps) — see Pre-Conference Journal

No. 4 — Alaska Pacific University Relationship (Carried)

The Alaska Missionary Conference authorizes an ad hoc committee to be formed to explore the relationship between the conference and the Alaska Pacific University in order to identify areas wherein the existence of this University can be further strengthened to fulfill the dreams of its founders and to meet the challenges of the frontiers of knowledge for all of God's peoples. The Committee would be appointed by the Bishop, in consultation with the Alaska Missionary Conference Superintendent and the President of the Alaska Pacific University.

I. Purpose of Petition:

- (1) To indicate a "Conference" concern for Alaska Pacific University.
- (2) To cause a body to be formed to participate in "official" dialogue toward mutual understanding and growth.

II. Committee would:

- (1) Serve as knowledgeable persons in local communities, when university persons visit the locality and would serve as sounding boards and interpreters.
- (2) Inventory ways in which local congregations are/have been, affecting/affected by APU.
- (3) Identify ways in which relationships can be enhanced/strengthened.

III. A three tiered approach:

- (1) With Pastors.
- (2) With lay leaders.
- (3) With lay members to Annual Conference.

No. 5 — Conference-Wide United Methodist Men Organization. (Carried)

In as much as the Book of Discipline, Section 263 Item 7 United Methodist Men states, "Each church or charge shall be encouraged to have a fellowship of United Methodist Men chartered through the General Board of Discipleship to provide another channel for involving men in the total ministry of the church", the Alaska Missionary Conference initiate action to formulate a duly organized Conference-wide United Methodist's Men's organization to assist in the organizing of local-church United Methodist Men organizations. The chair plus a committee made up of one man from each region is to be nominated by the United Methodist Men organizations of the region or the conference nominations committee for election, such committee to be constituted immediately.

No. 6 — Recriminalization of Marijuana. (Carried as amended)

(Subject: Complete abstinence from the use of marijuana.)

WHEREAS, our bodies are the temple of God, and;

WHEREAS, it is our Christian responsibility to protect these temples, and;

WHEREAS, marijuana use has had devastating effects on these temples, particularly among our youth, and;

WHEREAS, legalization of even small amounts of marijuana in Alaska has not diminished the problem or trend, and in fact introduces a seeming ambivalence and contradiction to the First Admonishment of the 1984 General Conference to abstinence (see Pages 149-150 Book of Resolutions, 1984), and;

WHEREAS, the UMC has a responsibility to provide clear moral guidance within our society;

THEREFORE, the Alaska Missionary Conference supports and endorses: The practice of complete abstinence from the use of marijuana.

C. Recommendations

1. Conference Council On Finance And Administration

Recommendations to the Alaska Missionary Conference

1. That the 1987 concluding statistics be used to produce the 1989 Grade Point Figures.
2. That all requests for funds from the Conference budget be submitted to the Council prior to its spring meeting.
3. That the superintendent's salary be determined at the rate of 150% of the base salary for nonself-supporting churches, plus the appropriate amount for years of service and benefits provided all pastors.
4. That the total salary subsidy be set at \$64,500 for 1989.
5. That the total budget of the Alaska Missionary Conference for 1988 be \$496,788.
6. That the Grade Point Figure for each local church be the average of the Membership Grade Figure and the Local Expense Grade Figure.

The Membership Grade Figure equals the individual church membership divided by the total Alaska Missionary Conference membership at the end of the last calendar year.

The Local Expense Grade Figure equals the individual church local expenditures divided by the total local expenditures of all Conference churches in the last calendar year. Local expenses include general church expenses, church school expenses, locally paid portions of pastor's salaries and other benefits. NOT TO BE INCLUDED are loan repayments, rental payments for facilities, interest, building improvements, and benevolences.

The pension apportionments shall be based on the Board of Pension's recommendations.

The Mission Sharing Fund shall be apportioned to those churches that have been self-supporting for at least four years. The apportionments shall be according to their proportionate share of the total grade point figure for all the churches included in the Mission Sharing Fund.

7. That the apportionments set by the General Council on Finance and Administration be accepted by our Conference, recognizing that this is 73% of a regular Annual conference apportionment.
8. That all account balances in the expenditure divisions of the Conference budget revert to the general fund at the end of the fiscal year, except funds in the accounts for Christian Education offering, Council on Youth Ministries, Conference portion of the Ministerial Education Fund, Pastor-Spouse-Church Worker retreat, as well as funds designated for Native Ministries, Office Equipment, Mission Vehicles, Annual Meeting Expenses, Lay-Clergy Conference, Ethnic Minority Local Church, Regional Program Councils, and Wesleyan maintenance, which may be held over for the next year.
9. That all churches participate in Advance special giving.
10. That all the churches give vigorous support to all United Methodist Institutions in Alaska as follows:

Alaska Pacific University	Wesleyan Nursing Home
Alaska Children's Services	Birchwood Camp
Nome Community Center	Argetsinger Camp
University Community Min. Anchorage	Local church approved
University Campus Min. Fairbanks	Advanced Specials
11. That all churches receiving funds to supplement the amount paid the pastor by the local church shall conduct an Annual Every Member Financial Commitment Program. They shall report their efforts to the CF&A by December 31 of each year.
12. That each local church aggressively develop increased local financial support.
13. That the Conference be aware of Conference Rule B-7 which states, "All requests for Missionary Conference apportionments upon the charge or the pastors shall first have to be referred to the Council on Finance and Administration, and no apportionments shall be made until the council shall have made its report. If the report is negative, a two-thirds vote of the Annual Meeting of the Alaska Missionary Conference shall be required to reverse the recommendation of the Council. Changes in the proposed or adopted Conference budget of \$1,000 or less may be made from the floor providing that the proposed change includes with it a designation as to what other budget category shall be decreased. This may be done without additional reference to the CF&A."
14. That all agencies receiving funds from apportionments shall submit financial statements annually to the Council before its spring meeting.
15. That local church giving to the Alaska Builders Club is encouraged.
16. That all churches are strongly urged to pay their apportionments in ten equal payments. That local churches promptly remit all New Ministries Phase II funds to the Conference Treasurer.
17. That the Golden Cross offering is approved each year to support health and welfare ministries.

2. Recommendations Of The Board Of Pensions

We recommend that:

- a. The Ministerial Pension Program (MPP) contribution base for 1989 be 100% of the Denominational Average Compensation (DAC)
- b. The Ministerial Pension Program (MPP) contribution rate for 1989 be 12%.
- c. The Comprehensive Protection Program (CPP) rate for 1989 be 4.4% of the DAC. For ordained ministers working less-than-fulltime, the contribution rate be 3.4% of the actual compensation (including 20% of compensation assumed for housing or actual housing allowance).
- d. Remittance of the MPP/CPP shall be made by the Alaska Missionary Conference, and

the funds generated through the apportionment system, with the adjustments recommended below.

- e. All ordained ministers under appointment by the Alaska Missionary Conference and eligible for the AMC pension program be covered by CPP, including those receiving less than equitable salary (i.e. those serving less-than-fulltime).
- f. Provision be made for ordained ministers serving less-than-fulltime to make contributions to the MPP/CPP program through the offices and treasuries of the Alaska Missionary Conference. If the ordained minister is receiving compensation from other than a local United Methodist Church, it is the policy of the Alaska Missionary Conference to request that the salary paying unit make contributions on behalf of the individual for MPP/CPP.
- g. For Past Service, the benefit rate for 1989 shall be \$293 per service year, an increase of \$12 over 1988. It is the intention to increase the rate for future years as the Conference Average Salary changes so as to maintain a rate of 1.0% of the CAS and to avoid penalties if the rate is below 0.90%.
- h. For pension recipients, the annual conference designates up to 100% of the pension payments to be allocated as housing allowance by the individual clergy person. The amount would be excludable from gross income as provided in Section 107 of the Internal Revenue code. (Subject to all IRS rulings.)
- i. Funding for 1989 shall be as follows:

	1989	1988 Budget
1. Funds needed		
A. Current Service — MPP/CPP (1989)		
16.4% of \$25,783 (the 1989 DAC) = \$4,228.44

2 associate pastors	8,456.88	8,098.32
1 Mission Associate	4,228.44	
B. Past Service (pre-1982)	10,000.00	12,930.00
C. Total funding needed for 1989	124,167.88	118,208.16
2. Sources of funds

	14,228.44	9,565.27
C. Total funding for 1989	124,167.88	118,208.43

- j. To maintain comparable levels of contributions for pensions, the following adjustments shall be made in the computation of apportionments for the pension portion of the budget only:
 1. For churches with more than one ordained position/salary, the regular grade point figure is used for the first United Methodist ordained ministerial position/salary. For

each additional eligible United Methodist position/salary, the church shall be apportioned the full pension cost for that position. The full pension cost shall be computed at 16.4% of the DAC or actual compensation (whichever is less) and shall be prorated for the effective months of the year.

2. For Union/United Churches

- a) With one United Methodist ordained minister, the grade figure is doubled.
- b) With no United Methodist ordained ministers, the grade figure is zero (assuming the pension for the pastor is paid elsewhere).
- c) When a union/united church has more than one pastor, one of whom is United Methodist, the regular grade figure is used. (Adopted 1987)

k. For HMEP

1. All ordained ministers who are affiliate members of the Alaska Missionary Conference are to participate in the program, except in those cases where financial hardship will result due to pre-existant conditions. Dependents coverage may be provided at the discretion of the individual participant. Employees of United Methodist churches or agencies may be covered if approved by the AMC Board of Pension and if premiums are paid on their behalf.
2. For ordained ministers, the church or employer shall pay the full premium for the individual and dependent coverage.
3. Level of Coverage
In 1984, the stop loss limit of \$500 per person or \$1500 per family per year "out of pocket expenses" was added. In 1985, increased coverage for psychological expenses was added. In 1986, increased coverage included one pap smear per year and \$100 towards one annual physical per person.

3. Commission On Equitable Salaries

The following consensus recommendations will continue minimum salary and mission sharing consistent with the 1987 recommendations with no percentage or dollar changes.

I. Minimum Salary

A. Cash Base Salary \$18,003

1. This is to apply, in each parish situation, to the following items:

- a. Salary
- b. Social Security
- c. Tax Deferred Annuity

(Note that the exact amounts of a, b, and c are to be worked out between the pastors and congregations involved, and that health insurance is not included here.)

B. Additions to \$18,003

1. Experience Factor — add \$100 per service year up to 25 years, from date of ordination as Deacon.
2. Add \$100 per year for each additional year after four years of service in a minimum salary appointment in this Conference. (Computation to begin with the 1983 appointment to place no undue burden on current local resources.)
3. Area Cost of Living Adjustment (add% of cash base)
 - a. Anchorage, 0% added
 - b. Kenai Peninsula/North Pole, 10% added
 - c. Nome, 30% added
 - d. Sitka/Fairbanks/Parks Highway, 5% added
 - e. All others, 0% added
4. A parsonage and full utilities or a reasonable housing allowance will be provided to pastors serving full-time appointment.
5. A local transportation allowance will be provided as needed to meet actual pastorally related expenses in each situation.

II. MISSION SHARING — Salary Subsidy Needs

This budget item is an area where the conference is able to directly support vital ministries so that together we advance God's work in this state.

Ministry	Needs	Reasons
A. Community UMC, Nome	13,500	This is a slight increase from last year's request to help offset \$4,000 no longer received from the Presbyterians.
B. Parks Highway	21,000	This area is currently facing some of the highest unemployment in the state; this support is essential.
C. Korean Ministry	4,000	This growing congregation is beginning to reduce their request.
D. Native Ministry-Anchorage	6,000	This ministry has received funding from New Ministry ... but now needs support if it is to continue.
E. Ninilchik	5,000	Again, a vital expanding ministry which needs this financial support.
F. Nome/Wales Native Larger Parish	5,000	Regular ministry is in progress, operating from Nome.
G. Girdwood	5,000	This funding is vital to the existence of this congregation in a strategic location.
H. St. Paul UMC, Fairbanks	5,000	Needed to support salary in this young congregation.
	<hr/> 64,500	

4. Recommendations Of The Transition Management Team

We acknowledge the ratification and implementation of the new conference structure by the adoption of the changes in the Rules of the conference.

We recommend that the New Conference structure be fully implemented beginning July 1, 1988. Regional Program Councils will be funded out of existing 1988 CCOM budgeted funds. The remaining administrative units will meet, pending the availability of 1988 budgeted funds.

We move that the Conference reaffirm the adoption of the Role and Mission Statement.

We move that the Conference reaffirm the adoption in principle of the three priority strategies: New Church Development, Native Ministries, and Parish Vitalization.

We move that the priority strategies and support strategies be referred to units of the AMC for the 1988-89 year for their refinement, and for ratification and implementation at the 1989 Annual Conference.

We move that the Conference refer the priority strategies and the support strategies as follows:

New Church Development Priority	— New Ministries Committee Amenable to Administrative Unit
Native Ministries Priority	— Native Ministries Committee
Parish Vitalization Priority	— Kenai Peninsula Regional Program Council
Financial Strategy	— Administrative Unit

Stewardship Strategy	— Southcentral Regional Program Council
Marketing Strategy	— Southcentral Regional Program Council
Leadership Strategy	— Southeast Regional Program Council
Organizational Strategy	— Northern Regional Program Council

We move that the referral evaluations and recommendations from these units be forwarded to the Conference Coordinating Council and the Annual Conference.
